National Family Day Sept. 26

Noreen and Deirdre are mothers of close, loving families.

Noreen enjoys three children, a daughter-in-law, two sons-in-law and two grandchildren. Being a mother taught her conflict resolution skills which makes her a better lawyer.

Deirdre treasures special relationships with each of her six children. She jokes about "growing" her own best friends.

On National Family Day, we celebrate the beauty of all families, no matter their size or shape. Every family is unique and cherished—let's honor the love and support that binds us together.

On National Family Day, we remember Yoshi, Deirdre's family dog who touched their lives for nearly 16 years.

Born next door on October 1, 2008, Yoshi became Deirdre's daughter Catherine's loyal Emotional Support Animal in his later years. Yoshi was adopted by the family when Catherine was only 8, and he and Catherine shared a special bond from the start. He will always hold a special place in the Kingsbury family's hearts.
